Forecast for Friday 04 Jun 2021

Weather: Chance of a little light rain at first down across the Perthshire hills, otherwise it will be a dry day. Some brightness at times but cloud bubbling up through the morning and afternoon, although ranges in the north of the area will start off sunny.

Chance of cloud free mountain/hill tops above 800m: 80%

Visibility: Poor in low cloud down to 600 metres across the southwest during the morning, otherwise cloud mostly above summits
